mem mesis completion somedure	Wk 3	Wk 4		Wk 2	Wk 3	Wk 4	Wk 1	Wk 2	Wk 3	Wk 4		Wk 2	Wk 3	Wk 4	Wk 1
	100.0							-	1000				TO NO		+***
			Suggest that a time												
			schedule is also												
			prepared for each												
			week in detail, perhaps												
			first thing each												
			Monday, or last thing												
Research proposal			each Friday												
Draft 1		+	caciiiiaay												+
Diait 1		-							-						+
landon out and out or and out or and															
Implement project coordinator and															
supervisor feed-back															
			Time schedule should												
			be reviewed and												
			updated each week												
			and/or after each												
1. Introduction	<u> </u>		supervisory meeting.												
Establish project Endnote file	4														
Literature search	1														
Draft 1 literature review	1														
Supervisor reviews literature															1
Implement supervisor's feed-back															1
Draft 2 literature review															+
Drait 2 interacture review		+													+
2. Methods		+													+
Draft Methods		+													+
		+										+			+
Supervisor reviews text															+
Implement supervisor's feed-back	4														+
-															
3. Results															
		Discuss with													
		supervisor the													
		details here so													
		that you can													
		create of detailed													
		list of steps													
Sort field samples /Collect data		involved													
Collect data		IIIVOIVEU													+
						-									
Organise data															
Analyse data															
Create figures and tables	4	+	-	ļ	+			1		1	-	-			+
Draft 1 Results	4		-		1			-							
Supervisor reviews	4														
Implement supervisor's feed-back	4														
Draft 2 Results					1										
Supervisor reviews															
Implement supervisor's feed-back	<u> </u>														
4. Discussion	<u> </u>														
Develop structure of Discussion															1
Draft 1 of Discussion		-													1
Supervisor reviews literature		+		1											1
Implement supervisors edits		+	†	1	†						1	†			+
Draft 2 of Discussion	 	+	 		+		+			1		+			+
